Our Optical Department still goes along in the even tenor of its way despite all opposition. Every day we fit somebody either with a pair of Eyeglasses for 25c., and once in a while we get as high as \$2.00. We can't go higher because that is the best pair of crystals you can buy and why pay more? The reason is that we do BOOK AND JOB STOCK not, need any special two weeks' study of the question because our instrument, the EYEMETER, is so simple that its test is absolute. Doesn't matter if your eyes are myopic, astigmatic or any other attic, that instrument gets there every time.

Warning to Public Officials.

EDITOR BULLETIN:-

I am a plain man and in plain words, my former comrades of the Governmental Directory, I address

you this warning. Like you, I have labored faithfully at my appointed duties; like you, re-ceived the begrudged stipend; like you, from necessity, sacrificed the overt rights of free citizenship—and thus, like you, paid a high price for public office. But alas! I was unfortunate enough to be born under the "Stars and Stripes" in the "Old Bay State," where men think and go unpunished. And so habit was stronger than prudence, and uncon-sciously, forgetful of these surroundings, in an unguarded moment I committed the capital crime of thinking. I shudder to confess it. Such a crime called for condign punishment, and swift and sure from

the Olympian heights came the shaft that laid me low. From the Shades, let this solemn warning be wafted to you who still enjoy the sweet nourishment of the gods who minister to Jupiter. Have eyes but see not! Have ears but hear not! Have lips and tongue but speak not! No, not even whisper! Have mind and memory, for you cannot help it, but make the one a blank to be lilled in by Jupiter and the other convenient! Jupiter will be for you eyes, ears, tongue and brain. Take Will leave Honolulu at 2 r. M., touching at Lahaina, Manlaca Bay and Makena the same day; Mahukom, Kawathac and Lau-pahochoc the following day, arriving at Hilo at midulch: warning by my wretched end and have no opinion but Jupiter's! When, with bated breath, though in Returning leaves Hilo, touching at Laupahoehoe same day; Kawaihae A. M.; Mahukona 10 A. M.; Makena 4 P. M.; Manlaea Bay 6 P. M.; Lahaina 8 P. M. the following day; arriving at Honolulu 6 A. M. Wednesday; and Sarvaine and Sarva deep darkness, and the sound drownmid the tom-tom thunders of Jupiter's musicians, you begin to whisper a secret word to your nearest-stop! beware! the very undula-tions of air will carry it to Jupiter

and woe to you. When your dearest friend, "the upright and righteous," meets you in the way and with friendly speech beguiles you to an answer, beware! Differ not in mind from him! He is an emissary of Jupiter and will lead you to your undoing. Even should you see the throne of Jupiter totter-ing to the fall, declare it strong and mighty! For only thus are you safe. Question not the word or wisdom

of Jupiter, for therein lies peril. Consignees must be at the landings to receive their Freight, as we will not hold ourselves responsible after such Freight has been landed. And when the answer of the theologian, at loss for a reason, is offered, as thus, "This is a matter for faith, not reason, I tell you the truth While the Company will use due dili-gence in handling Live Stock, we decline to assume any responsibility in case of the and question not if you desire heaven," bow down quickly and retain heaven! And now, dear friends, I come to The Company will not be responsible for Money or Jewelry unless placed in the care of Pursons the hardest task, the most danger-ous pitfall. If you have brothers, and they be not known among the
